

Safeguarding Policy

Policy Consultation & Review

This policy is available on our school website and is available on request from the school office. We also inform parents and carers about this policy when their children join our school and through our school newsletter. We recognise the expertise our staff build by undertaking safeguarding training and managing safeguarding concerns on a daily basis and we therefore invite staff to contribute to and shape this policy and associated safeguarding arrangements.

The policy is provided to all staff at induction alongside our Staff Code of Conduct, behaviour policy and the safeguarding response to those pupils who are absent from education. In addition, all staff are provided with Part One of the statutory guidance 'Keeping Children Safe in Education', DfE (2024).

This policy will be reviewed in full by the Governing Board on an annual basis. This policy was last reviewed and agreed by the Governing Board on Monday 30th September 2024. It is due for review in September 2025.

1. PURPOSE & AIMS

- 1.1 The purpose of St. William's Primary School and Brundall Primary School Safeguarding Policy is to ensure every child who is a registered pupil at our school is safe and protected from harm. This means we will always work to:
 - Provide help and support to meet the needs of children and young people as soon as problems emerge;
 - Protect children and young people at our school from maltreatment, whether that is within or outside the home, including online
 - Prevent impairment of our children's and young people's mental and physical health or development;
 - Ensure that children and young people at our school grow up in circumstances consistent with the provision of safe and effective care;
 - Undertake that role so as to enable children and young people at our school to have the best outcomes.
- 1.2 This policy will give clear direction to all staff including supply staff, volunteers, visitors and parents about expected behaviour and our legal responsibility to safeguard and promote the welfare of all children at our school.
- 1.3 Our school fully recognises the contribution it can make to protect children from harm and supporting and promoting the welfare of all children who are registered pupils at our school. The elements of our policy are prevention, protection and support.
- 1.4 We recognise that our safeguarding responsibilities are clearly linked to our responsibilities for ensuring that appropriate safeguarding responses are in place for children who are absent from school or who go missing from education, particularly for prolonged periods and/or on repeat occasions. The Attendance Lead will regularly liaise with the Designated Safeguarding Lead to discuss all persistently absent pupils and those who go missing to identify the risk of abuse and neglect including sexual abuse or exploitation and to ensure that appropriate safeguarding responses have been put in place to reduce the risk of future harm.
- 1.5 This policy applies to all pupils, staff, parents, governors, volunteers and visitors.

2. OUR ETHOS

2.1 The child's welfare is of paramount importance. Our school will establish and maintain an ethos where pupils feel secure, are encouraged to talk, are listened to and are safe. Children at our school will be able to talk freely to any member of staff at our school if they are worried or concerned about something. All staff will reassure victims that they are being taken seriously and that they will be supported and kept safe. Victims will never be given the

- the children are taught how they can contact Childline as another source of support. This will also be extended to include material that will encourage our children to develop essential life skills.
- NSPCC PANTS support materials annually and revisit them throughout the year to teach about appropriate and inappropriate touching, a child's right to say no to things that make them feel upset or uncomfortable, naming parts of the body and who your child can turn to if they ever feel upset or worried.

Teaching pupils about how to stay safe and behave online, including identifying risks and how and when to seek support is crucial. We have an laptops and tablets which are used on a regular basis to support the explicit teaching of online safety as well as to support our curriculum. Children are taught how to login in with their own individual login and password and know how to keep their details safe.

As a school, we engage with many extended providers and charities to provide workshops teaching our children about staying safe. These include the NSPCC, the local police, Crucial Crew and online resources.

Further information can be found in the DfE guidance '<u>Teaching online safety in school</u>' and '<u>Relationships Education</u>, <u>Relationships and Sex Education and Health Education</u>' This education is underpinned by the school's behaviour policy and pastoral support system.

- 2.7 At all times we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies in line with <u>Working Together to Safeguard Children</u> (2023) and the <u>Norfolk Multi Agency Safeguarding Partnership arrangements.</u>
- 2.8 As part of our responsibilities for safeguarding and promoting the welfare of children, we will provide a co-ordinated offer of early help when additional needs of children are identified. These may include if a child:
 - is disabled or has certain health conditions and has specific additional needs:
 - has special educational needs (whether or not they have a statutory education, health and care plan);
 - has a mental health need;
 - is a young carer;
 - is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines;
 - is frequently missing/goes missing from education, care or from home;
 - has experienced multiple suspensions, is at risk of being permanently excluded from schools, colleges and in Alternative Provision or a Pupil Referral Unit
 - is misusing drugs or alcohol themselves;
 - is at risk of modern slavery, trafficking or exploitation;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;

Chair of Governors / Trustees	Hilary Anderson	01603 712597

3.1 It is the responsibility of *every* member of staff, volunteer and regular visitor to our school to ensure that they carry out the requirements of this policy and, at all times, work in a way that will safeguard and promote the welfare of all of the pupils at this school. This includes the responsibility to provide a safe environment in which children can learn.

The Governing Board

3.2 The Governing Board of The Hive Federation is accountable for ensuring the effectiveness of this policy and our compliance with it. Although our Governing Body takes collective responsibility to safeguard and promote the welfare of our pupils, we also have a named governor who champions safeguarding within the school.

The Executive Head and Head of School

3.5 At St. William's Primary School and Brundall Primary School the Executive/Head of School is responsible for:

- Identifying a senior member of staff from leadership team to be the Designated Safeguarding Lead (DSL);
- Identifying alternate members of staff to act as the Designated Safeguarding Lead (DSL) in his/her absence to ensure there is always cover for the role;
- Ensuring that the policies and procedures adopted by the governing body, particularly concerning referrals of cases of suspected abuse and neglect, are followed by all staff;
- Ensuring that all staff and volunteers feel able to raise concerns about poor or unsafe practice and such concerns are addressed sensitively in accordance with agreed whistle-blowing procedures;
- Liaise with the LADO in the event of an allegation of abuse being made against a member of staff or volunteer.

The Designated Safeguarding Lead (DSL)

3.6 The Designated Safeguarding Lead is a senior member of staff, from the leadership team who takes lead responsibility for safeguarding and child protection within our school. The DSL will carry out their role in accordance with the responsibilities outlined in Annex C of 'Keeping Children Safe in Education'.

- 3.7 The DSL will provide advice and support to other staff on child welfare and child protection matters. Any concern for a child's safety or welfare will be recorded in writing and given to the DSL.
- 3.8 During term time the designated safeguarding lead and or a deputy will always be available (during school or college hours) for staff in the school or college to discuss any safeguarding concerns. If in *exceptional* circumstances, a DSL is not available on the school site in person, we will ensure that they are available via telephone and/or any other relevant media.
- 3.9 The DSL at St. William's Primary School will represent our school at child protection conferences and core group meetings. Through appropriate training, knowledge and experience our DSL will liaise with Children's Services and other agencies where necessary, and make referrals of suspected abuse to Children's Services, take part in strategy discussions and other interagency meetings and contribute to the assessment of children.
- 3.10 The DSL will maintain records and child protection files ensuring that they are kept confidential and stored securely (see section 7 for more information.)
- 3.11 The DSL is responsible for ensuring that all staff members and volunteers are aware of our policy and the procedure they need to follow. They will ensure that all staff, volunteers and regular visitors have received

aware of the paper recording system during their induction period until they are set up and trained on CPOMS. If the CPOMS system can't be accessed due to a technical issue, paper copies of the safeguarding forms can be found in the school office, staffroom and in Appendix 1

All staff will complete annual safeguarding training at the beginning of the academic year. Staff who join The Hive Federation at either St. William's Primary School or Brundall Primary School at any time during the academic year will be asked to complete The Key online Safeguarding Training.

- 4.2 Every new member of staff or volunteer will receive safeguarding training during their induction period within two weeks of joining the school. This programme will include information relating to signs and symptoms of abuse, how to manage a disclosure from a child (including reassuring victims that they are being taken seriously and that they will be supported and kept safe), how to record, the processes for referral to Children's Services and the statutory assessments under Section 17 and Section 47 as well as the remit of the role of the Designated Safeguarding Lead (DSL). The training will also include information about whistleblowing in respect of concerns about another adult's behaviour and suitability to work with children. Staff will also receive online safety training, including understanding the expectations, applicable roles, and responsibilities in relation to filtering and monitoring as this is part of the overarching safeguarding approach of our school.
- 4.3 In addition to the safeguarding induction, we will ensure that mechanisms are in place to assist staff to understand and discharge their role and responsibilities as set out in Part one of 'Keeping Children Safe in Education'. In order to achieve this, we will ensure that:
 - all members of staff will undertake appropriate safeguarding training on an annual basis and we will evaluate the impact of this training;
 - all staff members receive regular safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings), as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively;
 - staff complete regular online training modules around specific safeguarding areas.
 - DSLs and Pastoral staff meet fortnightly to share safeguarding information, discuss causes of concern and provide supervision for adults supporting families
 - All members of staff have log in details for CPOMS to record any concerns in a timely manner
 - Teachers as well as pastoral staff and senior leaders have elevated access on CPOMS to review and monitor previous concerns.
- 4.4 All regular visitors, temporary staff and volunteers to our school will be given a set of our safeguarding procedures; they will be informed of whom our DSL and alternate staff members are and what the recording and reporting system is. (See Appendix 2). There is a leaflet for visitors and volunteers

members should always act in the interests of the child and have a responsibility to take action as outline in this policy.

- 5.3 All staff are encouraged to report any concerns that they have and not see these as insignificant. On occasions, a referral is justified by a single incident such as an injury or disclosure of abuse. More often however, concerns accumulate over a period of time and are evidenced by building up a picture of harm over time; this is particularly true in cases of emotional abuse and neglect. In these circumstances, it is crucial that staff record and pass on concerns in accordance with this policy immediately to allow the DSL to build up a picture and access support for the child at the earliest opportunity. A reliance on memory without accurate and contemporaneous records of concern could lead to a failure to protect.
- 5.4 It is *not* the responsibility of school staff to investigate welfare concerns or determine the truth of any disclosure or allegation. All staff, however, have a duty to recognise concerns and pass the information on in accordance with the procedures outlined in this policy.
- 5.5 The Designated Safeguarding Lead (DSL) should be used as a first point of contact for concerns and queries regarding any safeguarding concern in our school. Any member of staff or visitor to the school who receives a disclosure of abuse or suspects that a child is at risk of harm must report it immediately to the DSL or, if unavailable, to the alternate designated person. In the absence of either of the above, the matter should be brought to the attention of the most senior member of staff.
- 5.6 All concerns about a child or young person should be reported <u>without</u> <u>delay</u> and recorded in writing using the agreed system in the setting. Records should include:
- a clear and comprehensive summary of the concern
- · details of how the concern was followed up and resolved
- a note of any action taken, decisions reached and the outcome
- 5.7 Following receipt of any information raising concern, the DSL will consider what action to take and seek advice from the Norfolk Children's Advice & Duty Service (CADS) as required. All information and actions taken, including the reasons for any decisions made, will be fully documented.
- 5.8 All referrals will be made in line with Norfolk Children's Services procedures as outlined in Appendix 3.
- 5.9 If, at any point, there is a risk of immediate serious harm to a child a referral should be made to Norfolk CADS immediately. Anybody can make a referral in these circumstances. If the child's situation does not appear to be improving the staff member with concerns should press for re-consideration by raising concerns again with the DSL and/or the Headteacher. Concerns should always lead to help for the child at some point.

looked after children safe. When dealing with looked after children and previously looked after children, it is important that all agencies work together, and prompt action is taken when necessary to safeguard these children, who are a particularly vulnerable group.

Child Sexual Exploitation (CSE), Child Criminal Exploitation (CCE): County Lines and serious violence

6.4 At St William's Primary School and Brundall Primary School we train staff to recognise that both CSE and CCE are forms of abuse and both occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into sexual or criminal activity. Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, sexual identity, cognitive ability, physical strength, status, and access to economic or other resources. Victims can be exploited even when activity appears consensual and it should be noted exploitation as well as being physical can be facilitated and/or take place online.

6.5 At St William's Primary School and Brundall Primary School we recognise that Child Sexual Exploitation is a form of child sexual abuse and this imbalance of power coerces, manipulates or deceives a child or young person into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator. Child sexual exploitation does not always include physical contact, it can also occur through the use of technology. We understand that some children may not realise they are being exploited e.g. they may believe they are in a genuine romantic relationship.

6.6 At St William's Primary School and Brundall Primary School we understand that criminal exploitation of children is a geographically widespread form of harm that is a typical feature of county lines criminal activity. Drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked for the purpose of transporting drugs.

6.7 We understand that children can become trapped by this type of exploitation as perpetrators can threaten victims (and their families) with violence or entrap and coerce them into debt. They may be coerced into carrying weapons such as knives or begin to carry a knife for a sense of protection from harm from others. We will treat these children as victims understanding that they have been criminally exploited even if the activity appears to be something they have agreed or consented to. We recognise the experience of girls who are criminally exploited can be very different to that of boys and that both boys and girls being criminally exploited may be at higher risk of sexual exploitation.

Preventing radicalisation and extremism

6.13 We recognise that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society. At St William's Primary School and Brundall Primary School we will ensure that:

- Through training, staff, volunteers and governors have an understanding
 of what radicalisation and extremism is, why we need to be vigilant in
 school and how to respond when concerns arise.
- There are systems in place for keeping pupils safe from extremist material when accessing the internet in our school by using effective filtering and usage policies.
- The DSL has received Prevent training and will act as the point of contact within our school for any concerns relating to radicalisation and extremism.
- The DSL will make referrals in accordance with <u>Norfolk Channel</u>
 <u>Procedures</u> and will represent our school at Channel meetings as required.
- Through our curriculum, we will promote the spiritual, moral, social and cultural development of pupils.

Child on child sexual violence and sexual harassment

6.14 At St William's Primary School and Brundall Primary School all staff are trained so that they are aware that safeguarding issues can manifest themselves via child on child abuse. This is most likely to include, but may not be limited to:

- bullying (including cyberbullying);
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- sexual violence and sexual harassment:
- upskirting;
- sexting (also known as youth produced sexual imagery); and
- initiation/hazing type violence and rituals.

6.15 We recognise that children are vulnerable to physical, sexual and emotional abuse by other children or siblings. Abuse perpetrated by children can be just as harmful as that perpetrated by an adult, so it is important that all staff and volunteers to remember the impact on both the victim of the abuse as well as to focus on the support for the child or young person exhibiting the harmful behaviour. We understand that abuse can occur in intimate personal relationships between children; and that consensual and non-consensual sharing of nudes and semi nudes images and or videos (also known as sexting or youth produced sexual imagery) is a form of child on child abuse.

The Hive

¹ UKCIS guidance: Sharing nudes and semi-nudes advice for education settings

attempted rape or a serious sexual assault whether this has happened recently or in the past. The assault does not have to have taken place in Norfolk but the victim must live in Norfolk to access support. The SARC also has a 24/7 helpline 01603 276381 if pupils or staff need to speak to a Crisis Worker for help & advice. Referral forms can be found on The DSL will always contact the police in cases of rape and serious sexual assault as per the guidance When to call the Police: a guide for schools and colleges, National Police Chiefs Council.

Modern Slavery

6.22 At St William's Primary School and Brundall Primary School we understand that modern slavery encompasses human trafficking and slavery, servitude and forced or compulsory labour. Exploitation can take many forms, including sexual exploitation, forced labour, slavery, servitude, forced criminality and the removal of organs. We refer to the DfE guidance Modern slavery: how to identify and support victims for concerns of this nature.

Safeguarding responses to children who are absent from education 6.23 At St William's Primary School and Brundall Primary School we adhere to the 'Working Together to Improve School Attendance' (2024) guidance. All staff should be aware of the safeguarding responsibilities for children who are absent from education, particularly on repeat occasions, or for prolonged periods, to help identify the risk of abuse and neglect, including sexual abuse or exploitation, and to help prevent the risks of them going missing in future.

6.24 At St William's Primary School and Brundall Primary School we adhere to the following procedures and processes to ensure there is an appropriate safeguarding response to children who are absent from education:

- An attendance register is taken at the start of the first session of each school day and once during the second session;
- We make every effort to contact parents and carers and follow up with the emergency contacts held;
- We hold at least two emergency contact numbers for each of the pupils on our roll wherever possible.
- Staff will alert DSLs to any concerns raised regarding children who are absent from school;
- The DSLs will meet regularly with the Attendance Lead, SENCo and other members of the pastoral team to ensure that each response is thorough and takes into account all the relevant information about individual children;
- We will follow the procedures outlined in our attendance policy including undertaking first day calling and monitoring data to ensure we intervene early in cases of poor attendance and/or unexplained absences.
- We understand we remain responsible for the safeguarding of all pupils who are placed in an alternative provision.

6.29 As part of the requirement for staff to undergo regular updated safeguarding training, online safety training is also delivered. We will ensure online safety is a running and interrelated theme throughout the curriculum and is reflected in relevant policies, teacher training, the role and responsibilities of the designated safeguarding lead and any parental engagement.

6.30 The Hive Federation buys into ICT Solutions for monitoring and filtering packages and support. St. William's Primary School and Brundall Primary School have ICT reporting forms on Teams for staff to report any issues with equipment, sites, online content etc. Staff must also make SLT and business manager aware verbally. Children are taught about online safety and staff are vigilant when children are using ICT equipment in school.

Children can bring mobile phones to school and hand these in at the start of the day and collect them back at the end of the day to take home.

More details can be found in our policies on Online Safety and Mobile and Smart Technology, which consider the 4Cs, content, contact, conduct and commerce and reflect the fact that many children have unlimited and unrestricted access to the internet via mobile phone networks (i.e. 3G, 4G and 5G).

6.31 At St William's Primary School and Brundall Primary School we recognise that technology, and risks and harms related to the internet evolve and change rapidly. Therefore, we carry out an annual review of our approach to online safety, supported by a risk assessment (on at least an annual basis) that considers and reflects the risks that children face in our setting. We also communication with parents and carers to reinforce the importance of children being safe online.

Cybercrime

6.32 We understand that cybercrime is criminal activity committed using computers and/or the internet. It is broadly categorised as either 'cyberenabled' (crimes that can happen off-line but are enabled at scale and at speed on-line) or 'cyber dependent' (crimes that can be committed only by using a computer). We are aware of the Cyber security standards for schools and colleges.GOV.UK.

6.33 If there are concerns about a child in this area, the designated safeguarding lead will consider a referral to the <u>Cyber Choices programme</u> which aims to intervene where young people are at risk of committing, or being drawn into, low level cyber-dependent offences and divert them to a more positive use of their skills and interests. It aims to intervene where young people are at risk of committing, or being drawn into, low level cyber-dependent offences and divert them to a more positive use of their skills and interests.

7. RECORDS AND INFORMATION SHARING

- 7.1 If staff are concerned about the welfare or safety of any child at our school, they will record their concern either on the agreed reporting form (Appendix 1) or through the setting's electronic system. Any concerns should be passed to the DSL without delay. Staff all have log ins to CPOMS to record any verbal safeguarding concerns shared with the DSL. If the CPOMS system is not available, a paper recording form can be found in the main office or staffroom, which includes a body map. These should be returned to a DSL when completed.
- 7.2 Any information recorded will be kept in a separate named file, in a secure cabinet if a paper system is used and not with the child's academic file. These files will be the responsibility of the DSL. Child protection information will only be shared within school on the basis of 'need to know in the child's interests' and on the understanding that it remains strictly confidential.
- 7.3 Child protection information will be kept up to date. Each concern logged will include:
 - a clear and comprehensive summary of the concern;
 - · details of how the concern was followed up and resolved;
 - a note of any action taken, decisions reached and the outcome.

At St William's Primary School and Brundall Primary School we will keep detailed, accurate, secure written records of all concerns, discussions and decisions made including the rationale for those decisions. This includes instances where referrals were or were not made to another agency such as the Children's Advice and Duty Service or the Prevent programme. Invitations to child protection conferences, core groups and all other multi-agency meetings and minutes taken at these will be stored on the child's file whether an electronic or paper system is used. All our safeguarding records will include; a chronology, contents front cover and will record significant events in the child's life.

- 7.4 When a child leaves our school, (including in year transfers) the DSL will make contact with the DSL at the new school and will ensure that the child protection file is forwarded to the receiving school. This will be within 5 days for an in-year transfer or within the first 5 days of the start of a new term. We recognise that not providing information as per the timescales can impact on the child's safety, welfare and educational outcomes.
- 7.5 We will retain evidence to demonstrate how the file has been transferred; this may be in the form of a written confirmation of receipt from the receiving school and/or evidence of recorded delivery.
- 7.6 Prior to a child leaving we will consider if it would be appropriate to share any additional information with the new school or college in advance to help them put in place the right support to safeguard this child.

The following paragraph should be included for those schools who are signed up to Operation Encompass or deleted as applicable:

8.6 At St William's Primary School and Brundall Primary School we are working in partnership with Norfolk Constabulary and Norfolk Children's Services to identify and provide appropriate support to pupils who have experienced domestic violence in their household. This scheme is called Operation Encompass. In order to achieve this, Norfolk Multi-Agency Safeguarding Hub will share police information of all domestic incidents where one of our pupils has been present with the Designated Safeguarding Lead(s). On receipt of any information, the Designated Safeguarding Lead will decide on the appropriate support the child requires. All information sharing and resulting actions will be undertaken in accordance with the 'Norfolk Joint Agency Protocol for Domestic Abuse – Notifications to Schools'. We will record this information and store this information in accordance with the record keeping procedures outlined in this policy.

9. CHILD PROTECTION CONFERENCES

- 9.1 Children's Services will convene a Child Protection conference once a child protection enquiry under Section 47 of the Children Act 1989 has been undertaken and the child is judged to be at continuing risk of significant harm. A review conference will take place once a child has been made the subject of a Child Protection Plan in order to monitor the safety of the child and the required reduction in risk.
- 9.2 Staff members may be asked to attend a child protection conference or core group meetings on behalf of the school in respect of individual children. Usually, the person representing the school at these meetings will be the Headteacher or DSL. In any event, the person attending will need to have as much relevant up to date information about the child as possible; any member of staff may be required to contribute to this process.
- 9.3 All reports for child protection conferences will be prepared in advance using the <u>guidance</u> and <u>template report</u> provided by the Norfolk Safeguarding Children Partnership. The information contained in the report will be shared with parents before the conference as appropriate and will include information relating to the child's physical, emotional and intellectual development and the child's presentation at school. In order to complete such reports, all relevant information will be sought from staff working with the child in school.
- 9.4 Clearly child protection conferences can be upsetting for parents. We recognise that we are likely to have more contact with parents than other professionals involved. We will work in an open and honest way with any parent whose child has been referred to Children's Services or whose child is subject to a child protection plan. Our responsibility is to promote the protection and welfare of all children and our aim is to achieve this in partnership with our parents.

ensure that all adults who work with or on behalf of our children are competent, confident and safe to do so.

- 11.2 All staff will be provided with a copy of our school's code of conduct at induction. They will be expected to know our school's Code of Conduct and policy for positive handling and carry out their duties in accordance with this advice. There will be occasion when some form of physical contact is inevitable, for example if a child has an accident or is hurt or is in a situation of danger to themselves or others around them. However, at all times the agreed policy for safe restraint must be adhered to. A list of staff that have accessed Norfolk Steps training will be kept by the Headteacher.
- 11.3 If staff, visitors, volunteers or parent helpers are working with children alone they will, wherever possible, be visible to other members of staff. They will be expected to inform another member of staff of their whereabouts in school, who they are with and for how long. Doors, ideally, should have a clear glass panel in them and be left open.
- 11.4 Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps that every adult should take in their daily professional conduct with children. This advice can be found in 'Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings' (February 2022). All staff and volunteers are expected to carry out their work in accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.

12. MANAGING ALLEGATIONS AGAINST STAFF & VOLUNTEERS

Allegations that may meet the harms threshold

- 12.1 Our aim is to provide a safe and supportive environment which secures the wellbeing and very best outcomes for the children at our school. We do recognise that sometimes the behaviour of adults may lead to an allegation of abuse being made.
- 12.2 Allegations sometimes arise from a differing understanding of the same event, but when they occur, they are distressing and difficult for all concerned. We also recognise that many allegations are genuine and there are some adults who deliberately seek to harm or abuse children. We work to the thresholds for harm as set out in 'Working Together to Safeguard Children' (2023) and 'Keeping Children Safe in Education', DfE (2024) below. An allegation may relate to a person who works / volunteers with children who has:
 - behaved in a way that has harmed a child, or may have harmed a child and/or;
 - possibly committed a criminal offence against or related to a child and/or;

is not their employer, we recognise that we still have responsibility to ensure allegations are dealt with properly. In order to achieve this, we will liaise with relevant parties including the LADO to determine a suitable outcome. Whilst the supply agency should be fully involved and co-operate with any enquiries from the LADO, police and/or children's services, we recognise that the School will usually take the lead in conducting an investigation as we have direct access to any affected children and other school staff to collect the facts.

12.8 Any member of staff or volunteer who does not feel confident to raise their concerns with the Headteacher or Chair of Governors should contact the LADO directly via email to lado@norfolk.gov.uk

12.9 Further information and guidance documents in relation to the LADO process, forms, leaflets and the Allegations against Persons who Work/Volunteer with Children Procedures are found on the Norfolk Safeguarding Children Partnership website. Further national guidance can be found at: Advice on whistleblowing. The NSPCC whistleblowing helpline is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – the line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

12.10 The School has a legal duty to refer to the Disclosure and Barring Service anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity or would have been removed had they not left. The DBS will consider whether to bar the person. If these circumstances arise in relation to a member of staff at our school, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and/or HR. The School must also consider whether to refer the case to the Secretary of State (via the Teaching Regulation Agency) if a teacher is dismissed or the setting ceases to use the services of a teacher because of serious misconduct or might have dismissed them or ceased to use their services had they not left first.

Concerns that do not meet the harm threshold

12.11 The term 'low-level' concern does not mean that it is insignificant, it means that the behaviour towards a child does not meet the thresholds as stated above. In Norfolk the 'low level' concern process is to consult with the Local Authority Education Duty Desk on 01603 307797. At St William's Primary School and Brundall Primary School we recognise a low-level concern to be something which is

 inconsistent with the staff code of conduct, including inappropriate conduct outside of work; and

community activities and tuition: safeguarding guidance for providers are in place to keep children safe.

13.2 The Head of School, Executive Head and School Business Manager will seek assurances that the body concerned has appropriate safeguarding and child protection policies and procedures in place (including inspecting these as needed). Safeguarding requirements are included in any transfer of control agreement (i.e. lease or hire agreement), as a condition of use and occupation of the premises; and that failure to comply with this would lead to termination of the agreement.

13.3 If an allegation is made relating to an incident that happened when an individual or organisation was using school premises for non-school/college activities, we will follow the safeguarding policies and procedures, included in section 12 above.

14 RELEVANT POLICIES

14.1 To underpin the values and ethos of our school and our intent to ensure that pupils at our school are appropriately safeguarded the following policies are also included under our safeguarding umbrella:

- Staff Code of Conduct
- Anti-Bullying
- Behaviour which includes measures to prevent bullying (including cyberbullying, prejudice-based and discriminatory bullying)
- Recruitment & Selection which adheres to Part 3 of <u>Keeping Children</u> Safe in Education'.
- Whistleblowing
- Attendance
- Online Safety
- Health and Safety including site security
- Harassment and discrimination including racial abuse
- Meeting the needs of pupils with medical conditions
- Intimate Care
- First aid
- Educational visits including overnight stays
- RSHE

15. STATUTORY FRAMEWORK

This policy has been devised in accordance with the following legislation and guidance:

- Working Together to Safeguard Children DfE (2023)
- Keeping Children Safe in Education DfE (2024)
- Working Together to Improve School Attendance, DfE (2022)
- Norfolk Safeguarding Children Partnership procedures

Appendix 1a:

Young Child

Indicate clearly where the injury was seen and attach this to the Recording Form

Appendix 2a: Safeguarding Induction Sheet for new or supply staff and regular visitors or volunteers.

We all have a statutory duty to safeguard and promote the welfare of children, and at our school we take this responsibility seriously.

If you have any concerns about a child or young person in our school, you must share this information immediately with our Designated Safeguarding Lead (DSL) or one of the alternate post holders.

Do not think that your worry is insignificant if it is about hygiene, appearance or behaviour – we would rather you told us as we would rather know about something that appears small than miss a worrying situation.

If you think the matter is very serious and may be related to child protection, for example, physical, emotional, sexual abuse or neglect, you must find one of the designated professionals detailed below and provide them with a written record of your concern. A copy of the form to complete is attached to this and others can be obtained from the school office. Please ensure you complete all sections as described.

If you are unable to locate them ask a member of the school office staff to find them and to ask them to speak with you immediately about a confidential and urgent matter.

Any allegation or low-level concern about a member of staff, a child's foster carer or a volunteer should be reported immediately to the Headteacher. If an allegation is made about the Headteacher you should pass this information to the Chair of the Governing Body. Alternatively, you can contact the Local Authority Duty Desk on 01603 307797. NSPCC whistleblowing helpline is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – the line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

The people you should talk to in school are:

Designated Safeguarding Lead (DSL): Jo Smith Location of office: St William's Primary School

Contact Number: 01603 434128

Appendix 3: Local Safeguarding Procedures

Children's Advice and Duty Service- CADS

Before contacting CADS, please answer the following questions and follow the advice provided:

Can you evidence that the child is experiencing or likely to suffer significant harm?

YES

Do you have the consent of the parents/young person to make contact with CADS or have you informed them of your intention to do so?

Have you discussed the child's needs with your agency safeguarding lead or your line manager?

NO

Inform the parents and/or gain their consent for you to make this contact unless doing so would put the child at immediate risk of harm

Discuss the child with your agency safeguarding lead or line manager if available and follow their advice when providing support to the family

Gather all the family's details including dates of birth, current address, current and working contact details and family composition, along with the history and current worries.

Have you carried setting up an Early Help Assessment Plan with the child and their family?

Call CADS on the professionals only phone line. This number can be found in the staffroom. Have a discussion with a Consultant Social Worker. Make a record of the discussion held. Follow the advice given by the Consultant social worker. Keep a record for your own agency's safeguarding recording process

Speak to the parents and the child about your worries and discuss with them how your agency can help and support the children and family. You could carry out an Early Help Assessment Plan or seek Early Help support, you in this process.

NB: The contact number for parents, carers and members of the public is 0344 800 8020.

Where you have carried out an Early Help Assessment Plan which has been reviewed and amended as required - and the child's needs are not being met or in fact have increased, gather the information requested in this form, seek consent from the parent/carers and then contact CADS.

The Hive

Appendix 6

CPOMS two-page user guide

Every member of staff has a responsibility to log incidents on CPOMS. Go to the login above and add your email address and if you are a new user press the forgotten your password/or using CPOMS for the first time?

An email will be sent to your school email account.

Create a password which is memorable to you and strong. If you forget your password, repeat the steps above.

To add an incident, press the New Incident button on your dashboard. Complete the details as follows:

- Student: Type the child's name; start typing and the system will make suggestions for completion.
- Incident: Describe the incident you are recording; be accurate and specific; if using a child's name, make sure the spelling is identical to the information stored on Pupil Asset. Be careful of making any assumptions. The incident must be based on facts or information taken from talking to others this must be clear in the incident. Please write in full sentences or bullet points and in first person.
- Categories: Select at least one category; you can select more than one if appropriate. For ALL behaviour reported, an ACTION must also be reported. Please ensure you choose the right category.
- If a Physical Intervention (STEPS) has been used this MUST be recorded on CPOMS. Parents must also be informed on the same day that physical intervention was used. Please speak to a member of the SLT before having the conversation.
- Linked Students: Type the name of any child that is linked to this incident; this will ensure the incident is presented when viewing linked student records. Be careful when linking students. Only link when incident involved them or they were affected by it. In the incident, avoid using pronouns as the incident appears on every child linked as their incident, it doesn't distinguish if they are just linked.
- Body Map: If appropriate, expand the Body Map and add markings to the illustration to indicate where physical evidence has been identified. Note the number that appears with each mark on the Body Map and refer to this number when describing the physical evidence.
- Date / Time: Enter the Date and Time the incident occurred. These will both default to the current Date and Time.
- Alert Staff Members: Add to this list any staff members who should be aware
 of the incident. Staff will be alerted to the incident via their CPOMS Dashboard
 (the page they see immediately after login) Staff members who have been
 selected to receive alerts will also receive an email requesting that they login to
 CPOMS and review the incident.
- Assign to If you want an adult to act on the incident. Please add their name here. If it is just for their information, an alert is sufficient. All incidents should be assigned. They can be assigned to the person logging the incident.
- Files: If you have files to support the incident, these can be uploaded here (for example, meeting minutes). Press the upload button or drag and drop a file into the Files box.
